

MLK Battle of the Bay Scholarship Information

Purpose: The California Collegiate Volleyball Conference (CCVC) seeks to extend playing opportunities to student-athletes to assist them in their pursuit of both scholastic and athletic success. The CCVC is committed to providing scholarship awards that make it financially possible for players to participate in collegiate club volleyball. The MLK Battle of the Bay scholarship award originates from the CCVC.

Criteria: All student-athletes are eligible for assistance if they are participating on a collegiate club volleyball team in California, *and* that team is a member in good standing with the Northern California Collegiate Volleyball League or the Southern California Collegiate Volleyball League.

A player must appear on the official CCVC MLK Battle of the Bay tournament roster to be eligible for an award. Eligible athletes must intend to continue their education and participation with the local leagues beyond the current season.

Extra consideration will be given to athletes who:

- Have played for at least one season with their collegiate club team
- Excel in leadership and sportsmanlike conduct
